**PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION**

Director of the United States Patent and Trademark Office  
US Patent and Trademark Office  
Washington, D.C. 20231

Sir:

The above PCT Application identified the U.S. as one of the designated states. The PCT lapsed on September 4, 2001, for failure to file the PCT Demand on August 4, 2001. Both the failure to file the PCT Demand and the U.S. National Stage filing therefrom was unintentional. Accordingly, the failure to file the National Stage application resulted in the unintentional abandonment thereof.

Applicant just now became aware that no such U.S. National Stage application was filed. Thus, Applicant is filing the attached Continuation-In-Part National Stage Application, along with this Petition to Revive. As is evident from the facts above, the above-identified application became abandoned unintentionally.

Please charge the fee of \$640 for this Petition to Revive to Deposit account 50-1407. A duplicate of this Petition is enclosed.
